## Experience

*January 2024 - Present*

Associate Set Dresser • Universal Orlando Resort • Seasonal/On-Call

In my work as a Set Dresser, I have helped the entertainment department install and decorate sets for the Marquee Events at Universal, in this instance Mardi Gras. In my role I made executive design decisions daily as well as keeping sure my set was properly and thematically matching the theme of the event.

*August 2021 - Present*

Attractions Attendant • Universal Orlando Resort • Part-Time

Maintain professionalism and present exemplary guest service daily while operating the attraction. I have dozens of commendations from my management teams at my venue. As a trainer I am required to have a vast knowledge of the ride system at my venue and be capable of teaching this to new Team Members as well as leading by example for what is expected of us as Team Members. As a member of the TSAT committee I have organized several large events for my team members to participate in. I have also contributed to and led quite a few changes around the venue to assist with operations.

*September 2023 – December 2023*

Scenic Painter • Nassal • Contract

I have helped in fabricating several themed experience set pieces. My work involves completing body work and painting high quality themed pieces for theme parks around the world. I employ several preparation and scenic painting techniques such as patching, spraying, texturing, and finishing.

*October 2022 – November 2022 | May 2023 – September 2023*

Show Set Specialist • B. Morrow Productions • Contract

Assisted in creation of themed sets by working on set construction as well as decorating and setting props in a themed environment for guest interaction. Worked directly with producers and other show set specialists to create props for use in several sets. Traveled to several destinations to install props and decorate sets on location.

*August 2017 - Present*

Video Editor • Various Clients • Contract

Created internet video content on a regular schedule and or via commission. Worked for several high-profile clients ensuring proper delivery and quality of the work throughout projects to ensure it met the creative vision.
